Picture Day Info:

- Arrive 10-15 minutes early. Do not arrive sooner than 15 minutes.
- One adult may accompany students but please do not send extra family members.
- Gymnasts, Solos, and Duets can come and slip in at any point between photos. Likewise, if you want a sibling/friend photo. Line up with all members and have an order form ready. We would squeeze you in at any point.

- All other classes that needed to purchase their own items must have them for pictures too.
- We will email out the picture day forms. You need one form per picture. Please get these and **fill them out in advance**. We ALWAYS run out of extras the day of, so please make sure you have enough order forms before picture day.
- Girls may change in the gym area. Boys must use the bathrooms and should not enter the gym. Girls CANNOT use the bathrooms to change.
- No one should be using the gym equipment during pictures.
- Some students WILL BE scheduled back-to-back for their photos. Please do not worry. We will wait for them if they are in the building changing.
- If you have picture related questions, specifically about prices or order forms, you must email Evan. His email is at the bottom of the order forms. Keep it for your records in case something is missing from your orders when received. Meghan cannot help with any picture issues.
- WE DO NOT ACCEPT CARD PAYMENTS THIS DAY! Picture forms/payments must be handed directly to Evan. They should be written to Evan Schwanke Photography.
- Even if you have multiple order forms, you can pay Evan with ONE check. Write the check number on top of each form and send the payment with the first child/photo of the day.
- **Tickets go for sale this day too!** There is no seating chart so it doesn't matter which time you arrive to purchase them. You can get 10 per show, this day only. If you need more, message Meghan. \$16/each unless they are sitting on a lap. These must be purchased with cash/check at the front desk. I cannot charge your portals. We have sold out for the past five years BUT we sold out really "fast" last year. If you cannot attend picture day, you need to email Meghan IN ADVANCE to save your tickets.
